

Affirmative Action Plan for the Recruitment, Hiring, Advancement, and Retention of Persons with Disabilities

To capture agencies’ affirmative action plan for persons with disabilities (PWD) and persons with targeted disabilities (PWTD), EEOC regulations (29 C.F.R. § 1614.203(e)) and MD-715 require agencies to describe how their affirmative action plan will improve the recruitment, hiring, advancement, and retention of applicants and employees with disabilities.

Section I: Efforts to Reach Regulatory Goals

EEOC regulations (29 CFR §1614.203(d)(7)) require agencies to establish specific numerical goals for increasing the participation of persons with disabilities and persons with targeted disabilities in the federal government

1. Using the goal of 12% as the benchmark, does your agency have a trigger involving PWD by grade level cluster in the permanent workforce? If “yes”, describe the trigger(s) in the text box.

- a. Cluster GS-1 to GS-10 (PWD) Answer Yes
- b. Cluster GS-11 to SES (PWD) Answer Yes

The representation of PWD in the overall workforce is 2.89% (Table B4), and below the 12% benchmark goal at every grade level.

*For GS employees, please use two clusters: GS-1 to GS-10 and GS-11 to SES, as set forth in 29 C.F.R. § 1614.203(d)(7). For all other pay plans, please use the approximate grade clusters that are above or below GS-11 Step 1 in the Washington, DC metropolitan region.

2. Using the goal of 2% as the benchmark, does your agency have a trigger involving PWTD by grade level cluster in the permanent workforce? If “yes”, describe the trigger(s) in the text box.

- a. Cluster GS-1 to GS-10 (PWTD) Answer Yes
- b. Cluster GS-11 to SES (PWTD) Answer Yes

The representation of PWTD in the overall workforce is 0.52% (Table B4), and below the 2% benchmark goal at every grade level except for the Administrative Band Level 1 where it is 50%.

Grade Level Cluster(GS or Alternate Pay Planb)	Total	Reportable Disability		Targeted Disability	
	#	#	%	#	%
Numerical Goal	--	12%		2%	
Grades GS-11 to SES	0	0	0.00	0	0.00
Grades GS-1 to GS-10	0	0	0.00	0	0.00

3. Describe how the agency has communicated the numerical goals to the hiring managers and/or recruiters.

The Postal Service communicated the 12% PWD and 2% PWTD goals to all Officers, Area Vice Presidents, Area Human Resources Managers, all District HR staff, Reasonable Accommodation Committee members, Disability Program staff, District Disability Coordinators, and Diversity and Talent Acquisition staff in memorandum dated January 2018, and was forwarded to the USPS OIG via email. This memorandum also included the revised obligations under section 501 of the Rehabilitation Act.

Section II: Model Disability Program

Pursuant to 29 C.F.R. § 1614.203(d)(1), agencies must ensure sufficient staff, training and resources to recruit and hire persons with disabilities and persons with targeted disabilities, administer the reasonable accommodation program and special emphasis program, and oversee any other disability hiring and advancement program the agency has in place.

A. PLAN TO PROVIDE SUFFICIENT & COMPETENT STAFFING FOR THE DISABILITY PROGRAM

3. Has the agency provided disability program staff with sufficient training to carry out their responsibilities during the reporting period? If “yes”, describe the training that disability program staff have received. If “no”, describe the training planned for the upcoming year.

Answer Yes

All disability program staff, disability-related program staff (disability specialists, disability coordinators, reasonable accommodation committee members) have access to take and complete the following courses: HR: Reasonable Accommodation Committee (RAC) Course description: Educate RAC committees and USPS managers on the reasonable accommodation process and provide guidance on matters of reasonable accommodation that involve applicants and employees with disabilities in order to assist managers and supervisors in meeting our legal and regulatory responsibilities in accordance with the law. Providing Communication Accommodations Course Description: The United States Postal Service has a legal responsibility to ensure that employees and applicants who are deaf or hard of hearing have access to reasonable communication accommodations. Access to such accommodations helps to eliminate workplace barriers that keep such individuals from performing jobs they could otherwise do with some form of accommodation. This course is designed specifically for managers and supervisors who support staff who are deaf or hard of hearing. After completing this course, learners are able to: - Explain the agency’s legal responsibility and its importance to the business. - Recognize and handle requests for communication accommodations. - Engage in the interactive process. - Identify different types of communication accommodations available at USPS - Effectively use various types of

communication accommodations to ensure appropriate and safe working conditions for employees who are deaf/hard of hearing. - Describe the USPS process for establishing a communication plan for employees needing accommodations. - Define responsibilities of supervisors and managers with respect to communication accommodations. - Perform all tasks associated with defined procedures and tasks as well as reporting requirements.

B. PLAN TO ENSURE SUFFICIENT FUNDING FOR THE DISABILITY PROGRAM

Has the agency provided sufficient funding and other resources to successfully implement the disability program during the reporting period? If "no", describe the agency's plan to ensure all aspects of the disability program have sufficient funding and other resources.

Answer Yes

Section III: Program Deficiencies In The Disability Program

Section IV: Plan to Recruit and Hire Individuals with Disabilities

Pursuant to 29 C.F.R. §1614.203(d)(1)(i) and (ii), agencies must establish a plan to increase the recruitment and hiring of individuals with disabilities. The questions below are designed to identify outcomes of the agency's recruitment program plan for PWD and PWTD

A. PLAN TO IDENTIFY JOB APPLICATIONS WITH DISABILITIES

1. Describe the programs and resources the agency uses to identify job applicants with disabilities, including individuals with targeted disabilities.

USAJobs application collection is used as the method for identifying applicants with disabilities and applicants with targeted disabilities. All new employees are provided PS Form 2489, Self-identification of a Physical or Mental Disability. New employees are advised that self-identification is voluntary, but are encouraged to complete this form. The Postal Service also uses PS Form 3666, Certification of Postal Service Employment of Individuals with Severe Disabilities. External applicants for employment and internal applicants for promotion or reassignment may request reasonable accommodation for any part of the application and selection process. All external job vacancy postings contain two statements: 1) This agency provides Reasonable Accommodations to applicants with disabilities. If you require accommodations for any part of the application and/or hiring process, please call 703-248-2210. The decision on granting an accommodation request will be made on a case by case basis. 2) Reasonable Accommodation Policy: Federal agencies must provide reasonable accommodation to applicants with disabilities where appropriate. Applicants requiring reasonable accommodation for any part of the application and hiring process should contact the hiring agency directly. Determinations on requests for reasonable accommodation will be made on a case-by-case basis. A reasonable accommodation is any change to a job, the work environment, or the way things are usually done that enables an individual with a disability to apply for a job, perform job duties or receive equal access to job benefits. Under the Rehabilitation Act of 1973, federal agencies must provide reasonable accommodations when: • An applicant with a disability needs an accommodation to have an equal opportunity to apply for a job. • An employee with a disability needs an accommodation to perform the essential job duties or to gain access to the workplace. • An employee with a disability needs an accommodation to receive equal access to benefits, such as details, training, and office-sponsored events. You can request a reasonable accommodation at any time during the application or hiring process or while on the job. Requests are considered on a case-by-case basis." The USPS OIG has a Reasonable Accommodation Committee that reviews all requests for accommodation.

2. Pursuant to 29 C.F.R. §1614.203(a)(3), describe the agency's use of hiring authorities that take disability into account (e.g., Schedule A) to recruit PWD and PWTD for positions in the permanent workforce

The agency is finalizing the language for Schedule A Hiring that is being incorporated into our Inspector General Manual as an additional option under our Noncompetitive Hiring Authorities. This will be completed by the end of the fiscal year. Once the policy is finalized agency wide communication will be released announcing the option for Schedule A Hiring, and Human Resources will begin incorporating the information into our virtual training on the hiring process for our selecting officials.

- When individuals apply for a position under a hiring authority that takes disability into account (e.g., Schedule A), explain how the agency (1) determines if the individual is eligible for appointment under such authority; and, (2) forwards the individual's application to the relevant hiring officials with an explanation of how and when the individual may be appointed.

In the past, the agency has not used hiring authorities, such as Schedule A, that take disability into account to recruit PWD and PWTD, because it is not a Title 5 agency. However, the agency is finalizing the language for Schedule A Hiring that is being incorporated into our Inspector General Manual as an additional option under our Noncompetitive Hiring Authorities. This will be completed by the end of the fiscal year. Once the policy is finalized agency wide communication will be released announcing the option for Schedule A Hiring, and Human Resources will begin incorporating the information into our virtual training on the hiring process for our selecting officials. Also, the plan includes using the Department of Labor's Workforce Recruitment Program (WRP) to seek viable candidates. The agency has policy to support noncompetitive appointment of VRA eligibles, and 30% or more disabled veterans. In these instances, the agency would review the VA documentation regarding the VA rating and determine if the individual met the 30% threshold. It would then provide the selecting official the opportunity to evaluate the candidate against the requirements of the position to ensure the individual meets the essential requirements prior to making a selection.

- Has the agency provided training to all hiring managers on the use of hiring authorities that take disability into account (e.g., Schedule A)? If "yes", describe the type(s) of training and frequency. If "no", describe the agency's plan to provide this training.

Answer Yes

The hiring authorities are managed by the HR Staffing & Classification team and Human Resources Director and they have received training.

B. PLAN TO ESTABLISH CONTACTS WITH DISABILITY EMPLOYMENT ORGANIZATIONS

Describe the agency's efforts to establish and maintain contacts with organizations that assist PWD, including PWTD, in securing and maintaining employment.

The USPS OIG continues to participate in career fairs and partner with organizations that focus on employment for individuals with disabilities and individuals with targeted disabilities including but not limited to: Rochester Institute of Technology/National Technical Institute for the Deaf, Gallaudet University, Recruit Military, Corporate Gray, Hiring our Heroes, National and Fort Campbell Regional Job Fair, Coast to Coast Career Fairs, Career Expo for People with Disabilities, Careers and the disabled, disabled veterans, and other disability related employment organizations. The Postal Service utilizes resources for disability recruitment and accommodations such as: •AbilityJobs.com • Workforce Recruitment Program • The US Business Leadership Network (USBLN) • Career Opportunities for Students with Disabilities (COSD) • Disability.gov • Job Accommodation Network (JAN) • Employer Assistance and Resource Network (EARN) • The American Association of People with Disabilities (AAPD) • Workforce Recruitment Program (WRP) – Office of Disability Employment (ODEP)

C. PROGRESSION TOWARDS GOALS (RECRUITMENT AND HIRING)

- Using the goals of 12% for PWD and 2% for PWTD as the benchmarks, do triggers exist for PWD and/or PWTD among the new hires in the permanent workforce? If "yes", please describe the triggers below.

a. New Hires for Permanent Workforce (PWD) Answer Yes

b. New Hires for Permanent Workforce (PWTD) Answer Yes

The representation of PWD among the new hires in the permanent or career workforce was below the 12% benchmark goal, however, we are now collecting and analyzing applicant data on a regular basis to identify possible triggers.

New Hires	Total	Reportable Disability		Targeted Disability	
		Permanent	Temporary	Permanent	Temporary

	(#)	Workforce (%)	Workforce (%)	Workforce (%)	Workforce (%)
% of Total Applicants	1177	6.63	0.00	2.72	0.00

2. Using the qualified applicant pool as the benchmark, do triggers exist for PWD and/or PWTD among the new hires for any of the mission- critical occupations (MCO)? If “yes”, please describe the triggers below. Select “n/a” if the applicant data is not available for your agency, and describe your plan to provide the data in the text box.

- a. New Hires for MCO (PWD) Answer N/A
- b. New Hires for MCO (PWTD) Answer N/A

There is data available however there is not sufficient data to draw any conclusions due to the low percentages of applicants who voluntarily identify their disability status. We plan to continue posting using USAJobs and requesting applicants to voluntarily disclose the information.

New Hires to Mission-Critical Occupations	Total (#)	Reportable Disability	Targetable Disability
		New Hires (%)	New Hires (%)
Numerical Goal	--	12%	2%
0301 GENERAL MANAGEMENT	2	0.00	0.00

1805 INVESTIGATIVE ANALYST	0	0.00	0.00
1811 CRIMINAL INVESTIGATOR	6	0.00	0.00
2210 IT	5	0.00	0.00

3. Using the relevant applicant pool as the benchmark, do triggers exist for PWD and/or PWTD among the qualified internal applicants for any of the mission-critical occupations (MCO)? If “yes”, please describe the triggers below. Select “n/a” if the applicant data is not available for your agency, and describe your plan to provide the data in the text box.

- a. Qualified Applicants for MCO (PWD) Answer N/A
- b. Qualified Applicants for MCO (PWTD) Answer N/A

There is data available however there is not sufficient data to draw any conclusions due to the low percentages of applicants who voluntarily identify their disability status. We plan to continue posting using USAJobs and requesting applicants to voluntarily disclose the information.

4. Using the qualified applicant pool as the benchmark, do triggers exist for PWD and/or PWTD among employees promoted to any of the mission- critical occupations (MCO)? If “yes”, please describe the triggers below. Select “n/a” if the applicant data is not available for your agency, and describe your plan to provide the data in the text box.

- a. Promotions for MCO (PWD) Answer N/A
- b. Promotions for MCO (PWTD) Answer N/A

The majority of the positions in our mission critical occupation series are in our journey band career ladder and therefore the promotional opportunities are non-competitive.

Section V: Plan to Ensure Advancement Opportunities for Employees with Disabilities

Pursuant to 29 C.F.R. §1614.203(d)(1)(iii), agencies are required to provide sufficient advancement opportunities for employees with disabilities. Such activities might include specialized training and mentoring programs, career development opportunities, awards programs, promotions, and similar programs that address advancement. In this section, agencies should identify, and provide data on programs designed to ensure advancement opportunities for employees with disabilities.

A. ADVANCEMENT PROGRAM PLAN

Describe the agency’s plan to ensure PWD, including PWTD, have sufficient opportunities for advancement.

In FY2023 all positions were posted on USAJobs.gov, with a link to the announcements in the daily newsletter sent to all employees via email to ensure all employees had an opportunity to apply for advancement. Further, we implemented a Temporary Opportunities site (TOPs) where detail assignment opportunities are available for all employees to review and apply for.

Section VI: Plan to Improve Retention of Persons with Disabilities

To be model employer for persons with disabilities, agencies must have policies and programs in place to retain employees with disabilities. In this section, agencies should: (1) analyze workforce separation data to identify barriers retaining employees with disabilities; (2) describe efforts to ensure accessibility of technology and facilities; and (3) provide information on the reasonable accommodation program and workplace assistance services.

A. VOLUNTARY AND INVOLUNTARY SEPARATIONS

1. In this reporting period, did the agency convert all eligible Schedule A employees with a disability into the competitive service after two years of satisfactory service (5 C.F.R. § 213.3102(u)(6)(i))? If “no”, please explain why the agency did not convert all eligible Schedule A employees.

Answer N/A

The USPS, and therefore USPS OIG, does not use hiring authorities, such as Schedule A, that take disability into account to recruit PWD and PWTD, because it is not a Title 5 agency. However, the agency is finalizing the language for Schedule A Hiring that is being incorporated into our Inspector General Manual as an additional option under our Noncompetitive Hiring Authorities. This will be completed by the end of the fiscal year. Once the policy is finalized agency wide communication will be released announcing the option for Schedule A Hiring, and Human Resources will begin incorporating the information into our virtual training on the hiring process for our selecting officials. We have also coordinated with the local chapter of Arc, a nonprofit organization supporting people with intellectual and developmental disabilities to produce a video supporting the hiring of people with disabilities. The video will be available to other federal and non-federal agencies and is intended for potential employers of people with intellectual and developmental disabilities. It references common challenges, as well as positive aspects, associated with finding, hiring, and managing people with Intellectual and Developmental Disabilities. It will be available here: Home - The

Arc Northern Virginia (thearcofnova.org) in the near future. We plan to share this video throughout the OIG to support a better understanding of employees with these types of disabilities and to promote possibilities to hire in this area.

2. Using the inclusion rate as the benchmark, did the percentage of PWD among voluntary and involuntary separations exceed that of persons without disabilities? If “yes”, describe the trigger below.

- a. Voluntary Separations (PWD) Answer No
- b. Involuntary Separations (PWD) Answer No

(Worksheet B16) PWD Separations is 4% of total separations while PWTD is 0%.

Seperations	Total #	Reportable Disabilities %	Without Reportable Disabilities %
Permanent Workforce: Reduction in Force	0	0.00	0.00
Permanent Workforce: Removal	4	0.00	0.41
Permanent Workforce: Resignation	19	6.45	1.75
Permanent Workforce: Retirement	47	0.00	4.83
Permanent Workforce: Other Separations	50	6.45	4.93
Permanent Workforce: Total Separations	120	12.90	11.91

3. Using the inclusion rate as the benchmark, did the percentage of PWTD among voluntary and involuntary separations exceed that of persons without targeted disabilities? If “yes”, describe the trigger below.

- a. Voluntary Separations (PWTD) Answer No
- b. Involuntary Separations (PWTD) Answer No

(Worksheet B16) PWD Separations is 4% of total separations while PWTD is 0%.

Seperations	Total #	Targeted Disabilities %	Without Targeted Disabilities %
Permanent Workforce: Reduction in Force	0	0.00	0.00
Permanent Workforce: Removal	4	0.00	0.40
Permanent Workforce: Resignation	19	0.00	1.90
Permanent Workforce: Retirement	47	0.00	4.70
Permanent Workforce: Other Separations	50	0.00	5.00
Permanent Workforce: Total Separations	120	0.00	12.00

4. If a trigger exists involving the separation rate of PWD and/or PWTD, please explain why they left the agency using exit interview results and other data sources.

2 were separation transfers to another agency and 2 were expiration of appointment. There is not adequate data to draw any conclusions.

B. ACCESSIBILITY OF TECHNOLOGY AND FACILITIES

Pursuant to 29 CFR §1614.203(d)(4), federal agencies are required to inform applicants and employees of their rights under Section 508 of the Rehabilitation Act of 1973 (29 U.S.C. § 794(b), concerning the accessibility of agency technology, and the Architectural Barriers Act of 1968 (42 U.S.C. § 4151-4157), concerning the accessibility of agency facilities. In addition, agencies are required to inform individuals where to file complaints if other agencies are responsible for a violation.

The USPS Facilities Organization has established a Facilities Accessibility Compliance Program to ensure that Postal facilities comply with applicable requirements of the Architectural Barriers Act of 1968 (ABA), effective June 2017. Facilities staff are available to assist Postal customers and Postal employees who are concerned that ABA standards have not been met. Persons with such concerns should contact the FAC Program Manager: Program Manager Facilities Accessibility Compliance 475 L'Enfant Plaza SW Washington, D.C. 20260-1862 Postal customers and Postal employees may also contact the US Access Board if they believe that applicable accessibility standards have not been met at a Postal facility. The average initial response is to the requestor within 1 business day.

Some examples of an effective program include timely processing requests, timely providing approved accommodations, conducting training for managers and supervisors, and monitoring accommodation requests for trends.

The USPS OIG program is effective in its responsiveness to requests for accommodation usually providing a decision within 1 week of receipt of medical documentation.

D. PERSONAL ASSISTANCE SERVICES ALLOWING EMPLOYEES TO PARTICIPATE IN THE WORKPLACE

Pursuant to 29 CFR §1614.203(d)(5), federal agencies, as an aspect of affirmative action, are required to provide personal assistance services (PAS) to employees who need them because of a targeted disability, unless doing so would impose an undue hardship on the agency.

Describe the effectiveness of the policies, procedures, or practices to implement the PAS requirement. Some examples of an effective program include timely processing requests for PAS, timely providing approved services, conducting training for managers and supervisors, and monitoring PAS requests for trends.

In FY18 we published the USPS PAS policy on the uspsoig.gov external website. In addition, we added a section to the USPS OIG Reasonable Accommodation Standards of Practice to address concerns about PAS directly related to employees of the OIG. The

practices are still in place.
